

American Airlines proudly supports nonprofit organizations that work to make a difference in the communities where we work, live and play, including Tulsa. With the help of our employees and our customers, the airline's collective humanitarian efforts provide assistance to eligible 501(c)(3) nonprofits whose missions aim to aid children, our military service members and those affected by unexpected adversity.

Our support is provided in three ways:

1. **In-kind contributions:** American donates to nonprofit organizations in the form of AAdvantage<sup>®</sup> mileage certificates.
2. **Volunteerism:** Our employees give back to their communities by volunteering in projects through our volunteer program, Do Crew.
3. **Cash support:** Opportunities to receive a cash contribution.

For non-profits in the Tulsa area who would like to apply for support, please visit [www.aa.com/giving](http://www.aa.com/giving) to review guidelines, determine if your organization qualifies under our program parameters, and then complete the application process online. Requests are reviewed quarterly. Requests for events should be submitted at least 90 days prior to the event.
